Tyger Cross Country Team Looks Ahead

The Tyger Cross Country Team had another discouraging season, finishing with a 1-13 record. The team is hoping for a better season next year with the majority of the team returning with experience.

Bob Griggs, a sophomore, received another Varsity letter for his second year on the team. Other Varsity letter winners on the team were Seniors, Karen Dixon and Kim Watson, Juniors, Valerie Avery, Marcellous Adams, Lynell Bryant, and Robert Zahn, and Sophomores, Jeff Brown and Ken Smith. Reserve letters went to freshmen Darren Jackson, Jeff Porch, and Sophomore Frank Richter.

Bob Griggs received the Most Valuable Player Award on the team, while John Jackson earned the Most Improved Player Award.

This is the first year in the history of Mansfield Senior High that any girls have participated in the sport of Cross Country. Since these girls didn't have a team of their own, they had to compete against guys. These girls were Karen Dixon, Kim Watson, and Valerie Avery. The Cross Country Team was under the instruction of first year Coach Robert Hood.

Drama Department Presents One- Acts

The Drama Department presented three one-act plays on the nights of November 30 and December 1. The director, Mr. Asher, chose three old-fashioned "mellerdramas" for a change of pace in Senior High productions.

The first play, "The Saga of Sagebrush Sal," took place in the old West and had cowboy and Indian chases and cancan girls in the saloon. Kristine Anderson narrated the play, and starring roles were filled by Rachel Kick, Victor Davis, Marilyn Irey, and Vince Carmel. Seventeen other students had parts in this production.

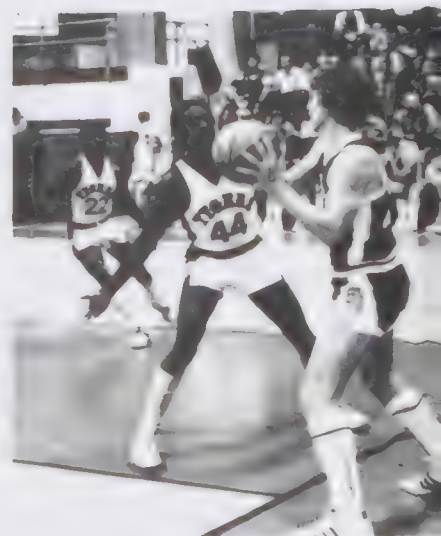

"Millie, the Beautiful Working Girl" was about the love between wealthy Brentwood Draper and the family maid. This infuriates his snobbish mother, who is herself being pursued by the villainous Clifford Ravenswood. Marilyn Irey, Kathy Hempfield, Russell Penney, Sherry Kopina, Ed Weidle, and Jerry Fliger starred in the production.

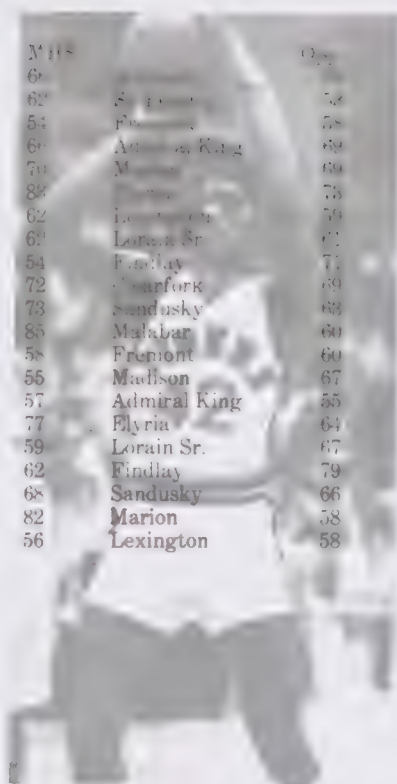

"Foiled by an Innocent Maid" starred Lori Clay, Julie Stricker, Janita Smith, Debbie Anderson, Jerry Fliger, and Kevin Ringold. The Follansbee family grieve over the supposed death of their grandchild, while the villain Longfellow plots to steal their fortune by impersonating the child's father and later his grandmother.

Tyger Cagers Have Winning Season

The boys' varsity basketball team finished the season with a 13-8 record, the best since the 1972-73 season. At one time during the season the Tygers were ranked 20th in the state class AAA. They had an impressive win over Lorain Admiral King, who were rated 6th in the state. First year coach Joe Prats, a former All-Ohio basketball player here at Sr. High, was an important part of the Tyger success story.

The Tyger reserve team, under Coach Wilbur Lanier, finished the season 10-10. The J.V.'s won their last three games over tough opponents to pull out the .500 season.

Coach Jack Soliday led the freshman team to an almost perfect season. The freshmen ended up with a great record of 16-1 and won the Madison North Freshman Tournament.

Varsity awards were given to Tommy Murphy for most assists and most points scored. David Givand was the most improved player, and Todd Kochheiser was the best foul shooter. Russell Holmes was voted by the team as most valuable player.

Earning the best record for the season were sophomore doubles team members Scott Kochheiser and Mark Brumm, so the Tyger's should have a good shot at an improved record in coming years.

Drama Department Presents Spring Play

Mr. Asher chose the play "Good Morning, Miss Dove" for the drama department's spring production. It was presented as a school matinee on May 7, followed by three evening performances on May 8, 9, and 10.

Many flashbacks reveal how Miss Dove got this way and show some of her philosophy about life and teaching.

Rev. William C. Newman read the invocation, gave a short message, and pronounced the benediction at the end.

Irene George, valedictorian, and Karen Dixon, salutatorian, addressed their classmates and wished them good luck in all future endeavors.

Dr. Fox lauded the class for their many accomplishments, and then Mr. Morvai presented the class for graduation.

Diplomas were awarded to the 259 seniors by Board President, Mrs. Ruth Harsch, and Mr. David Kafer, another member of the board, as Mr. Henderson read their names.

The class then turned their tassels and rings and marched out to the music of "Pomp and Circumstance" provided by the concert band.

Spirit Makers Add Excitement

The various spirit making organizations have done a good job this year getting the crowds involved in the action. The cheerleaders, under the direction of Mrs. Moore and co-captains Irene George and Candy Holt, have had many compliments on their precision and routines. At the USCA competition last summer they won the Most Spirited Award. The varsity placed fourth in competition and the reserves were rated in the top ten. Out of 250 girls, individual awards went to Judy Bundy, third; Irene George, fifth; and Georgia Norris, seventh. Miss Papenhausen advised the freshman squad.

The Pep Club, under Mrs. Kohutek and Mrs. Fairchild, have organized pep assemblies and sold spirit ribbons all year. Officers were Jody Bishop, president; Cheryl Chitwood, vice-president; Karen Dixon, secretary; and Shelly Etzel, treasurer.

This year a new group, the Pomettes, was formed. This group of girls performed pompom routines at half time during the basketball games.

The HRD section led everyone through enormous amounts of spirit and rowdiness.

They helped the secretaries by delivering passes to students, filling teachers' mailboxes, filing, or doing any other odd job that needed to be done. Monitors worked in the main office, attendance office, counselor's office, and Mr. Black's office.

Library aides checked books in and out for students, put books back on the shelves, and in general, aided the librarians.

Mr. Sauder had students sell supplies in the Bookstore before school.

Choirs, Orchestra Prepare Concert Music

The various choirs under the direction of Michele Shafer had a very busy and exciting year. The Concert Choir made several trips, including ones to Malabar to spend a day with their choir, to the Richland County Home to sing Christmas carols and to Columbus to sing at St. Joseph's Church. A candy sale helped earn money for these projects.

Twenty-six soloists and nine ensembles from the vocal music department participated in the solo and ensemble contest hosted by Senior High on February 16. The choir earned top ratings at the district contest, making them eligible for state contest in April.

The choir was led this year by co-presidents, Brian Williams and Lynn Conard.

The orchestra was scheduled as an early bird class this year with 54 dedicated members attending at 7:20 A.M. The group performed at the Homecoming and J. C. Gorman assemblies, presented Christmas and Spring Concerts, played for elementary school assemblies, and went to the state contest in Strongsville on March 8.

Melanie Bernhardt, Rob Fischer, Lori Clay, and Barry Hall earned positions in the All-State Orchestra and spent three days in Columbus performing for the Ohio Music Education Association.

Percy Hall and his assistants, Cheryl Collins and John Woods, were in charge of the orchestra.

Activities took place under the direction of Mr. Hall, Mr. Woods, and the senior officers: Mike Owens, president; Steve Purvis, vice-president; Karen Dixon, secretary; and Kathy Pelasky and Vicki Strubhar, treasurers.

This year two jazz bands were put together to perform for Varsity Varieties and for other school and community functions. The Pep Band provided music and spirit for the basketball games.

American Electrical Products Company

653 Lida Street • Mansfield, Ohio 44903

Established in 1920, American Electrical Products continues to build on the keystone of quality — both in materials and workmanship. Originally a producer of toys for children, the firm soon moved into production of various electrical products. Out of this grew the need for close tolerance, precision screw machine parts. This need changed the direction of the company's production and in 1935 American Electrical Products began to make precision screw machine parts for another company. Today, we're still doing business with that first customer, and still producing quality screw machine parts for them. Through the years, this policy of making quality parts to the exact specifications of our customers has maintained our steady growth.

I would like to thank . . .

As editor of the 1980 *Manhigan* I would like to thank those people who contributed many long hours to make this book a reality.

Special thanks and appreciation go to our advisor, Mr. David Gross, who worked hard with me to make this book a success. I would also like to thank the staff members who worked very hard to meet deadlines, and Mr. Tom Kiess, the Taylor Yearbook representative.

I would like to thank this year's photographers who took many fine pictures. Buell-Kraft Studio should also be praised for developing and printing many of our pictures.

Thanks goes to Mr. Au and the business staff who organized ads, sales, and the distribution of books.

In closing, I would like to wish next year's staff the best of luck.
